Subject: RE: Revised Draft Technical Memorandum Regarding KCIW Sampling of Industrial Users for Phthalates and BA

Looks fine to me. Finalize it. Thanks

Subject: Revised Draft Technical Memorandum Regarding KCIW Sampling of Industrial Users for Phthalates and BA

Hi Jeff,

Thank you for your review of my draft tech memo. Please review the attached document and see if the edits adequately address your comments.

I hope to present this to the Source Control Work Group at our 12/6 meeting. If you can review this by 11/28, it would be appreciated.

Thanks,

Bruce
